VISION

Our vision is to contribute in a child's growth with innovative and proven methods. Keeping their childhood innocence intact and away from materialistic achievements.

MISSION

Our Mission at S.S.P.S is to create a Home Away From Home, by taking care of the minute needs of a child. Our team is trained to read a child's thought process and adapt a methodology that helps us impart knowledge that impacts a child's life to make him a good human being.
