FOUNDATION**
Every Penny Counts

MISSION

Our Mission at "Small Wonders" is to create a **“Home Away From Home”** by taking care of minute needs of a child. Training our team to read a child's thought process and adapting a methodology of imparting knowledge.

VISION

Our vision is to contribute in a child's growth with innovative and proven methods, keeping their childhood innocence intact away from materialistic achievements.

We, at Small Wonders believe in giving an environment which helps in blooming a child's knowledge.
Values, creativity and discipline through freedom, experiences, fun & play.
We make endless efforts in making their process of growth playful, enjoyable & stress free.
We provide quality education.

The tender care and homelike surrounding with experienced faculties makes Small wonders really a great place to grow.
The parents are assured of safety and Hygiene of highest standards.

Small wonders is designed to Welcome kids with open arms.

Building Very near to nature surrounded by lush green trees.

Outdoor Play area. Well equipped with safe and fun giving equipments.

Indoor Play area. Sufficiently equipped with soft toys. Most modern Montessori, toys, board games and much more.

The Library with tempting, colourful and knowledge rich books for the kids.

Air Conditioned classrooms

Comfortable and spacious sitting arrangement.

A systematic method to build the foundation.

All this results in a child who is well equipped with knowledge. Discipline, smartness and confidence to proudly climb the foot steps of a school.

A Day At Small Wonders

Sloka Chanting

The day begins with the chanting of slokas

Poems Songs & Balgeet

English poems & songs will be taught to the kids with action, tune & correct pronunciations. Hindi & Gujarati Balgeet also will be taught.

English & Maths Lab Activity

This is an activity in which assignments related to alphabets & numbers will be there and kids will revise the concept through Colouring and stamping.

Gross Motor Skills

Gross Motor Skills are the movements of the muscles and body parts. These activities help the child to be fit, fine & active.

General Knowledge

Different General Knowledge topics will be discussed. Mock Drills will be done to make the kids learn these concepts thoroughly.

Fine Motor Skills

For a child to write with good handwriting, fine muscles must be developed. Here we try a new activity each day to develop a child's fine muscles.

Sports Time

Various types of sports activities are conducted to develop stamina in the kids.

Activity Time

Various Craft Activities, Outings, Day celebration, Festival celebration, competitions will be organized.

Wonder day

This day will be celebrated as a colour day or any particular theme will be followed.

Drama Time

During drama time a scene will be set up, props related time to the scene will be given to the kids, with the help of Didi, the kids will enact the story as the characters, this will help the children to increase their imagination skills, they will also learn to be play in a group. They will learn to be responsible & social. This is the most exciting activity of the syllabus & the kids love it very much.

Free Play Time

During free play time children will play traditional childhood games. Which in this jet age they have completely forgotten.
